## Remedy

If a valid warranty claim is established, the Seller will inspect the countertop(s). If problems are deemed the result of abuse or other uncovered points outlined herein, the Buyer will be billed for a standard service call. Stains from food and beverages will be treated by applying a poultice (or other method deemed necessary) supplied by a Granite Certified by Kitchen Magic fabricator. This may require more than one application. New sealer will be applied after the stain removal treatment. If necessary, the Seller will repair or replace, at its discretion, the Granite Certified by Kitchen Magic found to be defective.
